

BOOK LAUNCH —PARTY—

Psychotherapist and North Park resident Dana Terrell has just published her first book, and **YOU ARE INVITED!**

Learn about her ground-breaking discoveries that are freeing people from the clutches of self-sabotaging beliefs and discouraging experiences.

Ready to turn **ROCKY** relationships into **REWARDING** ones?

Whether it's family, friends, coworkers, neighbors, business partners, fellow students or teachers – this book will help you uncover hidden habits and patterns that are silently damaging your relationships, and show you how to transform them.

DANA TERRELL

20 YEAR NORTH PARK RESIDENT

Dana's new book draws from nearly 3 decades of working with people in private practice. She and her friends are hosting several Launch Parties, and we hope you will join us for a review of the book, Q&A with the author, personal signings, drawings and light refreshments.
